

ROOM CHANGE REQUEST AVAILABLE EMAIL

SUBJECT: Room change request available March 5

Hi {#if:EntryID.NamePreferred}{EntryID.NamePreferred}{#else}{NameFirst}{/if},

You are receiving this email to let you know that the room change process for the 2021-2022 academic year will open Friday, March 5.

If you wish to request a room change for fall, log into [The Dawg House](#) and select **Room Change Request**.

In order for University Housing to consider your room change request, you must have a contract for the 2021-2022 academic year. University Housing grants room change requests as spaces become available. If both roommates wish to change halls/rooms but remain roommates, each roommate must submit a room change request in The Dawg House individually.

If you have questions about the room change process, please email housing@uga.edu or call University Housing at 706-542-1421.

Sincerely,
University Housing
