

SUBJECT: UGA housing registration

Hi future Bulldog,

Congratulations on your acceptance to UGA! We look forward to welcoming you to campus next fall.

Now that you have been accepted, please plan to register for housing; registration for 2021-2022 is open now. **Registering for housing does not commit you to the University of Georgia** it only puts you in line for selecting the space of your choice.

For most students, **room selection works on an appointment system based on when you complete your housing registration and pay the non-fundable \$35 registration fee.** UGA is committed to housing all incoming first-year students but, the earlier you register, the more priority you'll have in choosing your space.

To register for housing, visit the housing [website](#) and click on The Dawg House link on the right (or at the bottom on a mobile device). You are required to log in with your UGA MyID and password. There may be multiple options for housing registration—please make sure to register for **RESIDENCE HALLS 2021-2022**.

Your registration is complete when you reach the confirmation page in The Dawg House.

Next steps:

- Take some time to research the residence halls at housing.uga.edu. Online, you'll find rates, amenities, maps, 360-degree images, photos, room plans and videos to help you decide on your ideal on-campus space
- Explore information about partnership programs that integrate academics and residence life such as [Thrive at Georgia](#), [language communities](#), the [Entrepreneurship Living Learning Community](#) and [Franklin Residential College](#)
- After UGA's commitment deadline (May 1), University Housing will begin emailing appointment times for you to select a space, so **please continue to check your email**. By

that time, you will have your UGA email address. Once you have that email, all correspondence from University Housing will go to that address

- Follow us on social media to see what to expect when you are here next year, including our Housing 101 series, tours and vlogs on [YouTube](#)
- For information on our current policy and procedure adaptations related to COVID-19, visit <https://housing.uga.edu/site/notices>. These policies and procedures are subject to change based on how the pandemic evolves
-

University Housing is open Monday-Friday 8 a.m.-5 p.m. to answer your questions. Feel free to email, call or visit our website using the contact information below.

Congratulations again, and GO DAWGS!
