

SUBJECT: Building S not available for 2021-2022

{#if:NamePreferred}{NamePreferred}{#else}{NameFirst}{/if},

This message is to inform you Building S will not be available for residential use next year, and you will not have the option to renew your current apartment for 2021-2022. Current residents of Building S will have priority in selecting a different apartment as noted in the timeline below. Once you have selected a new apartment, you will make the transition to your new assignment this summer.

Timeline for apartment selection:

March 22

UV residents (except those of Building S) who registered for housing for 2021-2022 will have the option to renew the same apartment for next year

March 29

Residents of Building S registered for housing in 2021-2022 will have the opportunity to select a different apartment for next year

March 30

UV residents registered for housing for 2021-2022 who did not renew the same apartment will be able to select an apartment during this time. Transitions to new apartment must take place

To reserve an apartment next year, you must log in to The Dawg House and reserve a space between Monday, March 29 at 9 a.m. and Friday, April 2 at 9 a.m.

Please follow these steps to renew your contract for a different apartment:

Beginning at 9 a.m. on March 29 through 9 a.m. April 2, log into [The Dawg House](#).

Select the "Register for Housing" in the gray bar.

Scroll down and select "UV & HSC Apt 21-22".

Search through available apartments. All open apartments are displayed on this site. If you do not see a particular apartment type, it means there are no remaining apartments of that type available.

Once you find an apartment you like, click "Add to Cart." This apartment will remain in your cart for 10 minutes.

You'll be redirected to the Assign Beds page.

Click on the drop-down menu to assign yourself a bed.

Once you have assigned yourself to a bed, click "Assign Beds."

On the confirmation page, double check the apartment/room number.

When you are ready to move past the confirmation page, click "Save and Continue"

Prior to clicking "Save and Continue," you can go back to change your apartment; however, you will have lost all prior progress and will be starting the room selection process from the beginning.

After clicking "Save and Continue," you will not be able to search for other apartments.

Once you have successfully reserved an apartment you will be taken to the "Booking Success Wait for Contract" conformation page. Please log out.

Next steps

University Housing will email contract information to your UGA email account. In order to complete your reservation, you must execute a contract for your reserved apartment by the deadline stated in the email. The housing contract is a legally binding document that confirms your housing assignment for the academic year. Failure to execute your contract may result in the cancellation of your housing reservation. If you wish to change your reservation, you must first execute your contract, then complete a room change request in The Dawg House.
