SUBJECT: Schedule your checkout time in The Dawg House

As mentioned in last week's email, all residents must schedule a checkout time in The Dawg House. Checkout appointments are available May 4 at 8 a.m.-May 14 at noon. You have two options for your checkout process; these options are detailed below:

CHECKOUT OPTIONS

Express checkout – If you select this option, you will designate a date and time you would like to vacate your space and complete the move-out expectations listed below before turning in your keys to the front desk of your community

RA checkout – If you select this option, you will designate a date and time that you would like to meet an RA in your space. The RA will walk the space to assess damages and ensure that move-out expectations are met

Prior to completing the checkout option you select in The Dawg House, please ensure your personal items are removed from your space and trash is taken out. Damage charges to resident spaces will be assessed once all student rooms are vacated.

Thanks, and I hope you finish the semester strong!
