SUBJECT: UGA Housing Assignment update (later assignment)

Dear Bulldog,

As promised, we are writing to update you about your housing assignment for fall 2021. Today we offered appointment times to those who registered for housing before March 25, 1:09 a.m. for women and March 20, 6:53 p.m. for men.

Because appointment times are offered in the order in which students register for housing and pay the \$35 fee, your registration date puts you in a later round of the assignment process.

We do have space for you and are working hard to get everyone assigned as quickly as possible.

Continue to check your UGA email for information about your online appointment time to choose a space. We will continue to send updates about this process to your UGA email; the next update will be sent no later than 6 p.m. Friday, June 11.

We encourage you to research some alternatives to your first choice of space so you feel prepared when it is your time to choose. In addition, check out our [First-Year Room Selection video](#) on YouTube for a step-by-step look at the process in The Dawg House.

If you have any questions, please reach out to us. We are receiving a large number of emails and appreciate your patience as we work through them. You may also call Monday-Friday 8 a.m.-5 p.m. EST or—if you are attending an in-person first-year orientation session—stop by our resource table near registration.
