UNIVERSITY OF GEORGIA

Hi Student,

As promised, we are writing to update you about your housing assignment for fall 2023. Today we offered appointment times to those who registered for housing before **5/6/2023 at 10:11 a.m. for females and 5/25/2023 at 2:51 p.m. for males.**

Because appointment times are offered in the order in which students register for housing and pay the \$35 fee, your registration date puts you in a later round of the assignment process.

We do have space for you and are working hard to get everyone assigned as quickly as possible.

Continue to check your UGA email for information about your online appointment time to choose a space. We will continue to send updates about this process to your UGA email; **the next update will be sent by end of day on June 29.**

We encourage you to research some alternatives to your first choice of space so you feel prepared when it is your time to choose. In addition, check out the [tutorial on YouTube](#) for a step-by-step look at the process in The Dawg House.

If you have any questions, please reach out to us. We try to respond to emails within one business day. You may also call Monday-Friday 8 a.m.-5 p.m. EST or—if you are attending an in-person first-year orientation session—stop by our resource table.
