SUBJECT: UGA Housing assignment update

Hi Bulldogs,

As promised, we are writing to update you about your housing assignment for fall 2022. Today we offered appointment times to those who registered for housing before April 20 at 12:58 p.m. for females and May 3 at 9:42 p.m. for males.

Because appointment times are offered in the order in which students register for housing and pay the \$35 fee, your registration date puts you in a later round of the assignment process.

We do have space for you and are working hard to get everyone assigned as quickly as possible.

Continue to check your UGA email for information about your online appointment time to choose a space. We will continue to send updates about this process to your UGA email; the next update will be sent no later than Friday, June 24.

We encourage you to research some alternatives to your first choice of space so you feel prepared when it is your time to choose. In addition, check out the [tutorial on YouTube](#) for a step-by-step look at the process in The Dawg House.

The University of Georgia will be closed in observance of the Juneteenth federal holiday on Monday June 20 and will reopen on Tuesday June 21 at 8 a.m.

If you have any questions, please reach out to us. We try to respond to emails within one business day. You may also call Monday-Friday 8 a.m.-5 p.m. EST or—if you are attending an in-person first-year orientation session—stop by our resource table.
