SUBJECT: Final move-information

Hi Bulldog,

We're excited to meet you soon!

Your room assignment is: *(specific to the student)*

Roommate information can be found in [The Dawg House](#) under “My Details.” If a student has restricted their directory information, you will not be able to see their information—please wait for them to contact you.

ARRIVAL INFORMATION

Bring your UGACard or a photo ID and your student ID number to check in.

If students have chosen an arrival time:

Your arrival time is XXX at XXX. Plan to check in at your arrival time. Parking passes will be delivered to your UGA email July 31—please print it and bring it with you on your move-in day.

If you plan to move in August 7-9, you must choose an arrival time in [The Dawg House](#) by August 5. If you do not have an arrival time slot, you will not be permitted to move in on August 7-9. You do not need to select an arrival time slot if you plan to move in on August 10-13.

A limited number of carts will be available to assist with moving belongings; if possible, we encourage you to bring your own hand cart or dolly.*

For information specific to your building, including directions, parking maps, check-in locations, cart checkout and more, visit the [MOVE IN](#) page of the housing website.

THINGS TO DO:

- Read the [Community Guide](#) for information about the following:
 - Policies, procedures and regulations
 - University Housing staff
 - Cooking and decorating
 - Resident conduct codes

- Set up your [Personal Identification Number \(PIN\)](#) for building access (except UV East). You can set up a PIN once you have had your UGACard for approximately 24 hours. Without both the card and the PIN, you will not have access to the building following move in
- Find out how to [connect devices and access WiFi](#)
- Check out the [Move-in Road Map](#) pre-recorded webinar on YouTube

Receiving mail

All buildings accept mail from all major postal carriers. **Please arrange for packages to be delivered after your check-in date.** Packages received before you check in will be returned to the sender. Once delivered, wait for a package notification email with instructions for picking up your package at the desk. Use the address format listed for your building on the [MOVE IN page](#) of the housing website.

Safe travels on your way to UGA, and we look forward to welcoming you to campus soon!

Best,

*Trailers and other oversized vehicles

We discourage residents and supporters from bringing trailers and oversized vehicles. Parking is limited, and campus parking lots are difficult to navigate when towing or maneuvering trailers. Vehicles with or without trailers that cannot fit in one parking space are not permitted in unloading zones or designated long-term parking lots; parking for these vehicles is available in the W17 parking lot near the corner of Hull Street and Broad Street. Please review the map below:
