Community office location and check in

The HSC Community Office is in Brown Hall at 100 Fox Rd. Entering HSC from the Conard Road entrance (off of Prince Avenue), it is straight ahead—parking is to the right of the building from the entrance.

Directions to your townhouse

Once you have completed the check-in process and received your keys (one for townhouse, one for bedroom and one for mail), you may move into your townhome (you will receive directions at check in). There is carport parking at each townhouse. Be advised, two vehicles will not be able to fit at one time in some locations.

Parking at HSC

Transportation and Parking Services regulates the parking areas at HSC, including those for living in the townhomes. Residential students must register vehicles and may park at the carport or in a designated surface lot. There is no parking allowed on the streets, including along McGowan Road and Kenny Road. Additional registration, permit information and/or information about guest parking may be obtained at 706-542-PARK or <https://tps.uga.edu/parking>
