**UNIVERSITY OF GEORGIA**

Dear Resident

Beginning Oct. 7, you may log onto [The Dawg House](#) to register for housing for spring 2025. All first-year students are required to live on campus, and housing registration is the first step in this process.

For most students, room selection works on an appointment system based on when you complete your housing registration and pay the non-fundable registration fee. UGA is committed to housing all incoming first-year students but, the earlier you register, the more priority you'll have in choosing your space.

## STEP 1

Log onto [The Dawg House](#) with your UGA MyID and password. There may be multiple options for housing registration—please make sure to register for RESIDENCE HALLS BEGINNING JAN 2024.

## STEP 2

Check your email for confirmation of your online registration. Then visit the [Move-In](#) page for timelines, resources, what to bring and more. Follow us on social media (@UGAHousing) to see what to expect next year.

## STEP 3

Explore your options at [housing.uga.edu](https://housing.uga.edu). Online, you'll find rates, amenities, maps, a [virtual tour](#), photos, room plans and videos to help you decide on your ideal on-campus space. Spaces are limited for spring, so make sure to have a few options in mind.

## STEP 4

Continue to check your UGA email throughout the fall so you don't miss important information about your appointment time to choose a space online (which will happen in mid-December).

University Housing is open Monday-Friday 8 a.m.-5 p.m. EST to answer your questions. You are welcome to email, call or visit our website using the contact information below.
