UNIVERSITY OF GEORGIA

Hi Bulldogs,

We look forward to welcoming you to campus in January!

Housing registration for spring 2026 opened on Monday, Oct. 6. All first-year students are required to live on campus, and registering for housing puts you in line for selecting the space of your choice.

For most students, **room selection works on an appointment system based on when you complete your housing registration and pay the non-fundable registration fee.** UGA is committed to housing all incoming first-year students but, the earlier you register, the more priority you'll have in choosing your space.

STEP 1

Log onto [The Dawg House](#) with your UGA MyID and password. There may be multiple options for housing registration—please make sure to register for **RESIDENCE HALLS BEGINNING JANUARY, 2026.**

STEP 2

Visit the [New Student Hub](#) for everything you need to know about housing, including timelines, resources and a 360-degree virtual tour of all the halls. Follow us on social media (@UGAHousing) to see what to expect when you are here next year and hear about the on-campus experience from students who live here.

STEP 3

Explore your options at housing.uga.edu. Online, you'll find rates, amenities, maps, a virtual tour, photos, room plans and videos to help you decide on your ideal on-campus space.

Continue to check your email so you don't miss important information about your chance to choose a space (which will happen in December).

University Housing is open Monday-Friday 8 a.m.-5 p.m. EST to answer your questions. You are welcome to email, call or visit our website using the contact information below.

Go Dawgs!
