UNIVERSITY OF GEORGIA

Subject: UGA housing registration information

Hi Bulldogs,

Congratulations on your acceptance to UGA! We look forward to welcoming you to campus next fall.

All first-year students are required to live on campus so—now that you have been accepted—please apply for housing as soon as possible. Registration goes live on Monday, Nov. 22.

Registering for housing does not commit you to the University of Georgia; it only puts you in line for selecting the space of your choice.

For most students, **room selection works on an appointment system based on when you complete your housing registration and pay the non-fundable \$35 registration fee.** UGA is committed to housing all incoming first-year students but, the earlier you register, the more priority you'll have in choosing your space.

STEP 1

Visit the [housing website](#). To register for housing, you will log in with your UGA MyID and password. There may be multiple options for housing registration—please make sure to register for **RESIDENCE HALLS FOR 2022-2023**.

STEP 2

Check your email for a confirmation of your online registration. Then visit the [New Student Hub](#) for everything you need to know about housing, including timelines, resources, what to bring and more. Follow us on social media (@UGAHousing) to see what to expect when you are here next year, including on [YouTube](#), where you can go on 360-degree virtual tours and hear about the on-campus experience from students who live here.

STEP 3

Explore your options at [housing.uga.edu](#). Online, you'll find rates, amenities, maps, 360-degree images, photos, room plans and videos to help you decide on your ideal on-campus space. You'll also find information about [Living Learning Communities](#) that integrate academics and residence life such as THRIVE at Georgia, the Art of Wellness community, the Entrepreneurship Living Learning Community and Franklin Residential College.

STEP 4

Continue to check your email throughout the spring so you don't miss important information about selecting roommates and your chance to choose a space (which will happen after the

university's May 1 commitment deadline). **After May 1, please check your UGA email for important information from housing and other departments across campus.**

University Housing is open Monday-Friday 8 a.m.-5 p.m. EST to answer your questions. You are welcome to email, call or visit our website using the contact information below.
