UNIVERSITY OF GEORGIA

Hi _____,

Residents wishing to live on campus for the 2024-2025 academic year must complete the initial registration beginning January 5, 2024. **The opportunity to choose a new space* will be granted in the order in which you complete registration in The Dawg House.**

There is no registration fee for current residents, and registration alone does not commit you to living on campus for the 2024-2025 academic year. During registration, you may also indicate your interest in keeping the same room (if it is eligible). First year halls are not eligible for selecting same space.

For details about the process, including creating a roommate group, frequently asked questions and a timeline, visit the [CURRENT UNDERGRADUATE STUDENTS](#) registration page of the housing website.

Please contact us if you have any questions—we are happy to help!
