SUBJECT: Update on your request to live on campus

Dear Bulldogs,

First, thank you for your patience as we work to include everyone who registered for housing for fall 2020. University Housing has offered appointment times to choose a space to students who registered up to Jan. 18 at 3:47 p.m. (for men) and Feb. 11 at 12:42 p.m. (for women).

Your registration date falls after this cutoff date. Next week we will begin calling students who have not yet chosen a space—in order of registration date—to understand what type of space you are looking for, and to discuss your options.

If you are still interested in an on-campus space, please expect a call from us and return it as soon as you are able in order to secure a space.

If you have any questions, please reach out to us; we're here to help!
