

1 GET ACCEPTED

Congratulations on becoming a Georgia Bulldog! Activate your UGA myID using the credentials provided to you by [EITS](#) and enroll in ArchPass powered by Duo, UGA's two-step login solution

2 REGISTER

Using your myID and password, log in to [The Dawg House](#) and register for your term. Once you pay a nonrefundable \$35 registration fee, you are considered registered for housing

Registering for housing does not commit you to UGA

3 CREATE A ROOMMATE GROUP (OPTIONAL FOR FALL ONLY)

Being in a roommate group in [The Dawg House](#) allows group members to assign themselves AND their roommates to the same room, as long as there is enough space for everyone

Or, create a profile to search for roommates in The Dawg House

4 MAKE A PLAN

Research halls at housing.uga.edu, where you'll find rates, amenities, maps, 360-degree images, photos, room plans and videos to help you decide on your ideal on-campus space. Develop a backup plan in case your first choice isn't available when it's your turn to choose

5 CHOOSE YOUR SPACE

In December (for spring) and May (for fall), we'll begin issuing appointment times to choose a space online—check your [UGA email](#) for updates. Appointment times are given in the order in which students registered for housing. During your appointment time, log in, choose a space and pull in roommates (if applicable)

6 SECURE YOUR SPACE

After you choose, check your UGA email for a message prompting you to log in to [The Dawg House](#) and execute your housing contract. Read your contract thoroughly and execute the contract by the deadline stated in the email. If you fail to execute a contract by the deadline, you may lose your chosen space
