

GET ACCEPTED

Congratulations on becoming a Georgia Bulldog! Activate your UGA myID using the credentials provided to you by **EITS** and enroll in ArchPass powered by Duo, UGA's two-step login solution

REGISTER

Using your myID and password, log in to <u>The Dawg House</u> and register for your term. Once you pay a nonrefundable \$35 registration fee, you are considered registered for housing

Registering for housing does not commit you to UGA

CREATE A ROOMMATE GROUP (OPTIONAL FOR FALL ONLY)

Being in a roommate group in <u>The Dawg House</u> allows group members to assign themselves AND their roommates to the same room, as long as there is enough space for everyone

Or, create a profile to search for roommates in The Dawg House

MAKE A PLAN

Research halls at <u>housing.uga.edu</u>, where you'll find rates, amenities, maps, 360-degree images, photos, room plans and videos to help you decide on your ideal on-campus space. Develop a backup plan in case your first choice isn't available when it's your turn to choose

CHOOSE YOUR SPACE

In December (for spring) and May (for fall), we'll begin issuing appointment times to choose a space online—check your <u>UGA email</u> for updates. Appointment times are given in the order in which students registered for housing. During your appointment time, log in, choose a space and pull in roommates (if applicable)

SECURE YOUR SPACE

After you choose, check your UGA email for a message prompting you to log in to <u>The Dawg House</u> and execute your housing contract. Read your contract thoroughly and execute the contract by the deadline stated in the email. If you fail to execute a contract by the deadline, you may lose your chosen space
