COMMUNITY GUIDE

WHAT NOT TO BRING

Some items—such as pets (except fish), candles, essential oil diffusers, electric stoves with heating coils and space heaters—are prohibited. For a complete list of policies and guidelines, visit the Community Guide at housing.uga.edu

MICROCHILL RENTAL

MicroChill units (a minifridge and microwave combination) are available for rent through University Housing at <https://www.collegeproducts.com/store/dawgs/>

NOTE: All rooms in Brown, Payne and Reed halls come with a similar microfridge—residents of these halls may rent if they would like a second unit. Apartments in East Campus Village have full-size microwaves and refrigerators in common kitchens. Apartments in UV East have full-size refrigerators and an oven/stove in the shared kitchen.
