

UNIVERSITY HOUSING FURNITURE

Section: Residence Halls

Policy: Residents may not remove any furniture from common and public areas or remove any furniture from their rooms.

Purpose: The purpose of this policy is to identify the appropriate procedures when residents remove furniture from their room or common area.

Scope: This policy applies to all residents.

Procedure:

- I. University Housing provides each resident with certain pieces of furniture. Residents are not permitted to remove any university furniture from their rooms.
- II. Residents may not move additional items into their rooms from public areas of the halls or other residents' rooms.
- III. Residents found in violation of this policy will be documented and may be referred through a conduct process. Additionally, a replacement fee will be assessed for any missing furniture not immediately returned, and the UGA Police may be notified in order for a theft report to be taken.
