

PETS

Section: Residence Halls—All Halls

Policy: Residents may have fish in properly maintained aquariums of 20-gallons or less.

Purpose: The purpose of this policy is to define the pet policy for all University Housing residents.

Scope: This policy applies to staff (except full time live-in staff), residents, visitors and guests of University Housing.

Procedure:

- I. Residents may have fish in aquariums of 20-gallons or less.
- II. Aquariums must be properly maintained and meet UL standards.
- III. Each resident is permitted no more than one aquarium.
