

## **PETS**

**Section:** Residence Halls—All Halls

**Policy:** Residents may have fish in properly maintained aquariums of 20-gallons or less.

**Purpose:** The purpose of this policy is to define the pet policy for all University Housing residents.

**Scope:** This policy applies to staff (except full-time, live-in staff), residents, visitors and guests of University Housing. For information regarding ESAs (Emotional Support Animals) see that specific policy.

**Procedure:**

- I. Fish in aquariums of 20-gallons or less are the only pets approved in residence halls
- II. Aquariums must be properly maintained and meet Underwriters Laboratories (UL) standards.
- III. Each resident is permitted no more than one aquarium.
