

Health Sciences Campus Townhomes

Interest in Housing

Augusta University/University of Georgia Medical Partnership Students

Dear AU/UGA Medical Partnership Student:

Thank you for your interest in living on the Health Sciences Campus (HSC) at the University of Georgia. The information we are requesting allows us to enter you into our housing assignments system, The Dawg House, so that you may log on and register for housing. Filling out and submitting this form does not obligate you to housing on the HSC campus, nor does it obligate you to register. However, submitting this form alone is not a registration for housing. You will receive an email with registration instructions once we have your information in the system. Please submit to Housing Assignments Office, 116 Russell Hall, Athens, GA 30602, fax to 706-542-8595 or scan and email to fg@uga.edu.
