

## 1ST GET ACCEPTED

Congratulations! Be sure to activate your myID using the credentials provided to you by [EITS](#).

## 2ND REGISTER

Using your myID and password, log in to [The Dawg House](#) and register for the term, "Residence Halls 2021-2022." Be prepared to pay a mandatory, nonrefundable \$35 registration fee. You will not be considered registered for housing until this fee has been paid. Registering for housing does not commit you to attend UGA, nor does paying the UGA commitment deposit register you for on-campus housing.

## 3RD CREATE A ROOMMATE GROUP (IF YOU WANT ONE) BY MAY 1ST

A roommate group is a way to group yourself and another student (or students) electronically on [The Dawg House](#). Being in a roommate group allows whoever has an earlier appointment time to assign themselves AND their roommate to the same room, as long as there is enough space for both people.

THE ARCH IS 

## 4TH DO YOUR RESEARCH & HAVE MULTIPLE BACKUP PLANS

While you wait for an online appointment time to choose a space, research halls and rates on our website at [housing.uga.edu](http://housing.uga.edu). You'll find rates, amenities, maps, 360-degree images, photos, room plans and videos to help you decide on your ideal on-campus space.

### KEEP IN MIND ☆☆☆

Some halls close over holiday breaks and others have contracts requiring rent payments in fall, spring and summer. It is a good idea to have multiple back-up plans in case your first-choice hall doesn't have any vacancies.

## 5TH CHOOSE YOUR SPACE

After the University commitment deadline (May 1), you will be issued an online appointment time to choose a space. This appointment time will be communicated to you via your [UGA email](#). All communication from UGA Housing will only ever go to your [UGA email](#). The order of appointment times is based on the chronological order of when registration fees are paid. If you are in a roommate group, your appointment time is when the roommate with an earlier appointment time can log in, choose a space and pull in their roommate to their same room (as long as there is enough space in that room for both people).

HOME

## 6TH MAKE IT OFFICIAL

About a week after you choose your space, check your UGA email for a message prompting you to log in to [The Dawg House](#) and execute your housing contract. Be sure to read your contract thoroughly, ask any questions if applicable and execute the contract by the deadline stated in your email. If you fail to execute a contract by the deadline, you may lose your assigned space. Rest assured, all first-year students are guaranteed housing on campus.
